

New Home of the **PALACE CLOTHING CO.**, 709-11 Kansas Ave.

7 MONTHS AFTER A DISASTROUS FIRE THIS NEW STRUCTURE STANDS COMPLETED—TOPEKA'S MEN'S STORE

The Latest Success of

J. C. Holland & Son

Architects, 719 Mills Building

is the New Palace Building as it stands completed and occupied today. This building was designed and supervised by this firm of Architects

The designing of hundreds of business structures, public and private buildings, all conforming to the most scientific construction methods, located throughout the country has given Holland & Son a prestige invaluable.

Some Topeka Buildings designed by this well known firm of architects:

Banner Dairy Lunch, The Cremerie, High School—New Addition, Mills Building, Shawnee County Court House, Manual Training High School, Topeka High School and Scores of Others.

J. M. Leeper

General Contractor and Builder

Under Whose Supervision This

New Palace Building

Has Been Constructed

Among other buildings of importance constructed by Leeper are the

MEMORIAL BUILDING, TOPEKA, STATE PRINTING PLANT, TOPEKA, STATE NORMAL BLDG., PITTSBURG

Thoroughness and untiring attention to work in hand is the key note to Leeper's success.
